## **TOPIC: AWARENESS PROGRAMME ON USE OF ONLINE E-RESOURCES**

On 15<sup>th</sup> June 2020, Duliajan College Library in collaboration with Assam College Librarians' Association (ICT Cell) organized an awareness programme on the topic "*Awareness Programme on Use of Online E-Resources* in the online platform Zoom Application at 3.00 p.m.

The programme began at 3.00 p.m. with an opening speech by the Duliajan College Librarian, Mrs. Mondira Chutia. She says that the workshop has been organized with the joint effort of the Duliajan College Library with the support of Assam College Librarians' Association (ICT Cell). The aim of conducting the workshop was to create awareness among the students about the new horizon of online e-resources and exploring and uses it to academic purposes. And this programme is mainly to teach or educate them how to search and use the open access e-resources gets enormous academic resources for their education. Thereafter she introduces the Resource persons Prof. Sanjay Kumar Singh, HOD, Deptt. of Library and Information Science, Gauhati University, Dr. Prasanta Kumar Deka, G.S, ACLA and Librarian, K.C.Das Commerce College and Dr. Birender Pal, Coordinator, ICT Cell, ACLA and Librarian, Kaliabor College and gives a brief introduction about their career.

At 3.15 p.m. she requested the principal of the college Dr. Lok Bikash Gogoi to deliver his inaugural speech. Dr. Lok Bikash Gogoi began his speech by thanking Mrs. Chutia, and also gives a warm welcome to the Resource persons and also to the entire teachers and students present. Dr. Gogoi continued his speech by saying that how online e-resources help to students in continuing their learning process in this covid-19 pandemic situation. And this is a new dimension which we all are a not aware about how to search and use the resources for education purposes. It is a vast like a ocean and a information literate person only can explore it purposively and this is the reason why we have invited the honorable Resource persons to throw light on it.

With an end of the speech of Dr. L.B. Gogoi, Mrs Chutia requested the resource persons to deliver their speech. Prof.S.K.Singh began his speech by saying that online e-resources is a vast area of academic world. There are different types of online resources , some are free and another is payable for use. According to him it is very important to know about the free access online resources and techniques of exploring that resources. Prof. Singh said that Ministry of Human Resource Development under UGC takes some initiatives to organized e-resources so that users can get easily and use the same for educational purposes. N-LIST, e-PG Pathshala, UGC MOOC, SWAYAM, e-Ghyankosh etc. are the Government initiatives of online resources and courses. He ends his special talk with a thanks to the organiser and handover the mike to the another resource person Dr. P.K. Deka. Dr. Deka began his speech by thanking Prof. Singh and continued his speech by saying that how online e-resources help to students, faculties and scholars in education process. So, he thanks to organizer for organizing this type of awareness programme. He also talk on initiative of ACLA ICT Cell to help the students and faculties to give live demonstration on using the online e-resources. Again he give thanks to the Principal and Librarian to take initiative for organizing this type of webinar and end his deliver and handover the mike to the another resource person Dr. Birender Pal. Dr. Pal began his speech by thanking Dr. Deka and continued his speech and live demonstration about N-LIST, Google search, e-PG Pathshala, UGC MOOC, E-Ghyankosh, Swayam and. He saw everything step by step that how we can explore the resources. Thus at around 4.30 p.m. Dr. Pal ended his session and declared that the session is open for questions. All faculty member discussed on the different e-resources and problem faced by them in the time of exploring the resources, The Resource persons give some technique and idea how exploring the resources from different sources. Dr. Lok Bikash Gogoi, Principal of Duliajan College gave a big thanks to the resource persons for their time and very informative live demonstration in the session.

According to feedback total 60 participants joined in the awareness programme. It was a grand successful session for all participants.

Thereby, Mrs. Chutia gave vote of thanks to the Resource Persons and Dr. Lok Bikash Gogoi, and to the all participants and thereby declared the end of the function.

#### Abstract

The image of a black hole from April 2019 was widely seen by people all over the world. To make this happen, it transcended traditional boundaries of a scientific discipline. In this webinar, I will discuss examples such as black hole imaging and Large Hadron Collider for high energy physics, and connect them with computer science and statistics, and how computer networking plays a role. The webinar will also focus on the importance of basic knowledge, why this helps to explore larger scientific and technical problems.

1 Week Lecture Series in Physics and International e-Poster Conference on "Advances in Physics and Applications (APA-2020)" Organized by: Department of Physics, in collaboration with IQAC, Duliajan College Date: 22-28 November, 2020		
<p><b>Objective:</b> The Department of Physics, Duliajan College, has completed glorious 25 years of offering honors in Physics. To celebrate this year, we have organized a 1-week Lecture Series and International e-Poster Conference. The Lecture Series will comprise of talks on pure as well as interdisciplinary physics by eminent persons. The Conference will cover the recent research &amp; developments in various domains of physics. Due to the prevailing COVID-19 situation, exchange of thoughts, research ideas and outcomes through physical meeting has become practically impossible. Hence, this online Lecture Series and e-Poster Conference has been organized.</p>	<p><b>E-poster conference</b></p> <p>The e-poster conference has been organized for exchange of research ideas and outcomes for the faculties and research scholars engaged in Physics research. **TOPIC: EXPLORING AND USAGE OF ONLINE E-RESOURCES FOR STUDENTS.**

On 27<sup>th</sup> July 2021, Duliajan College Library along with the support of IQAC Cell of Duliajan College and Library and Information Science Professional Association (LISPA) organized an awareness programme on the topic “*Exploring and Usage of Online E- Resources for Students*” in the online platform Webex by CISCO at 3.00 p.m.

The programme began at 3.00 p.m. with an opening speech by the Duliajan College Librarian, Mrs. Mondira Chutia. She says that the workshop has been organized with the joint effort of the Duliajan College Library, IQAC Cell of Duliajan College with the support of the LISPA. The aim of conducting the workshop was to create awareness among the students about the new horizon of online e-resources and exploring and uses it to academic purposes. And this programme is mainly to teach or educate them how to search and use the open access e-resources gets enormous academic resources for their education. Thereafter she introduces the Resource person, Mr.Satyajit Borah and gives a brief introduction about his career.

At 3.00 p.m. she requested the principal of the college Dr. Lok Bikash Gogoi to deliver his inaugural speech. Dr. Lok Bikash Gogoi began his speech by thanking Mrs. Chutia, and also gives a warm welcome to Mr.Satyajit Borah and also to the entire teachers and students present. Dr. Gogoi continued his speech by saying that how online e-resources help to students in continuing their learning process in this covid-19 pandemic situation. And this is a new dimension which we all are a not aware about how to search and use the resources for education purposes. It is a vast like a ocean and a information literate person only can explore it purposively and this is the reason why we have invited Mr. Satyajit Borah to throw light on it.

With an end of the speech of Dr. L.B. Gogoi, Mrs Chutia gives a brief introduction about the LISPA and resource person Mr.Satyajit Borah and his career. Thereafter she requested the resource person to deliver his speech. Mr.Satyajit Borah began his speech by saying that online e-resources is a vast area of academic world. There are different types of online resources , some are free and another is payable for use. According to him it is very important to know about the free access online resources and techniques of exploring that resources. Mr. Borah said that Ministry of Human Resource Development under UGC takes some initiatives to organized e-resources so that users can get easily and use the same for educational purposes. N-LIST, e-PG Pathshala, UGC MOOC, SWAYAM, e-Ghyankosh etc. are the Government initiatives of online resources and courses. Thereafter he explained and gave a live demonstration about N-LIST, Google search, BASE Search engine, e-PG Pathshala, UGC MOOC, E-Ghyankosh, Swayam and pdf Drive. He saw everything step by step that how we can explore the resources. Thus at around 4.30 p.m. Mr. Borah ended his session and declared that the session is open for questions. A student from class XI asked that how he can get the membership of N-LIST Programme, Mr. Borah replied that he should go met the librarian for the same. Another students from BA 1<sup>st</sup> semester asked that how he can get the enrollment in the SWAYAM course. Mr. Borah gave the website address of the swayam and explained the admission procedure . Dr. Lok Bikash Gogoi, Principal of Duliajan College gave a big thanks to Mr. Borah for his time and very informative live demonstration in the session.

Total 95 participants joined in the awareness programme. It was a grand successful session for all participants .

Thereby, Mrs. Mondira Chutia gave s short speech at 4.40 PM and thanked him for his time and valuable information, and asked Dr. Dayananda Nath to give Vote of thanks. But, for the technical issue Mr.Nath could not forward the agenda , so, Mrs.Chutia gave vote of thanks to the Resource Person Mr.Satyajit Borah, to Dr. Lok Bikash Gogoi, Mr.Suraj Gogoi, G.Secretary, LISPA, and to the all participants and thereby declared the end of the function.
