

Report of Student Induction Program held in Department of Chemistry, Duliajan College

Date: 8th October, 2021

A 4-day long Induction program “Deeksharambh” was held in Department of Chemistry of Duliajan College for newly admitted B.Sc 1st semester (Honors) students from 27/09/21 to 30/09/21 as per the instructions from college authority. The faculty members of Department of Chemistry, viz. Dr Jitumoni Bora (HOD), Dr Kalyani Rajkumari, Dr Monsumi Gogoi and Dr Jyotirekha Sharma were present and successfully conducted the program according to the schedule below. Active participation of the students in all the four days were noted.

Schedule:

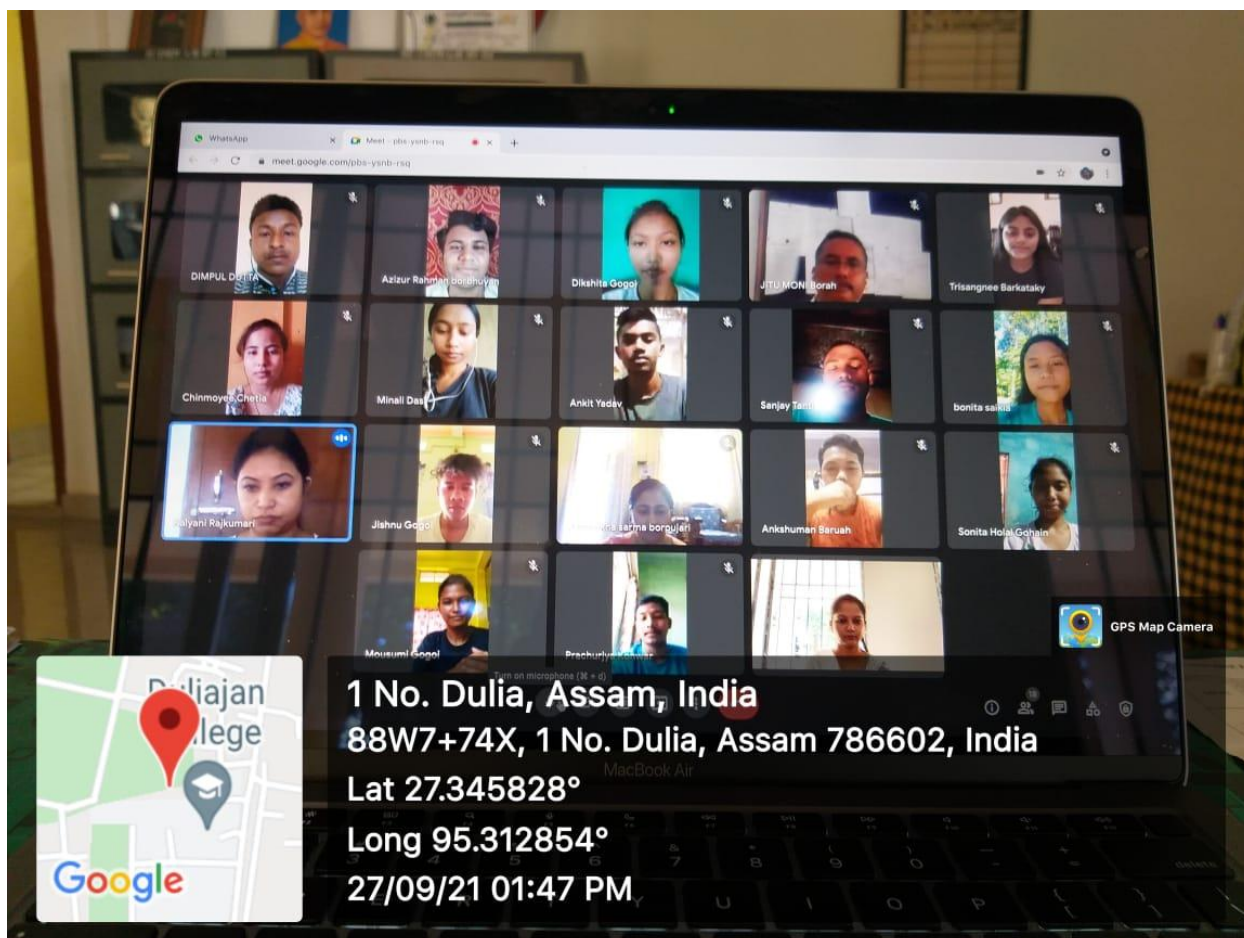

Deeksharambh (Student Induction Programme) Organised by Department of Chemistry Duliajan College		
Day	Date & Time	Programme
Day 1		Academic Registration & Admission Formalities
Day 2	27.09.2021.(1pm,IST)	Institute & Department orientation Introduction with course curriculum
Day 3	28.09.2021.(1pm,IST)	Creative arts & Culture Literary activity
Day 4	29.09.2021.(1pm,IST)	Lectures by Eminent People
Day 5	30.09.2021.(1pm,IST)	Parents/Guardian meet Mentor-Mentee groups (if any)
Day 6	01.10.2021.	Commencement of classes

Day 1

Academic registration and verification process of B.Sc 1st semester (Science) students was conducted on 15th September, 2021 in the college auditorium premises.

Day 2

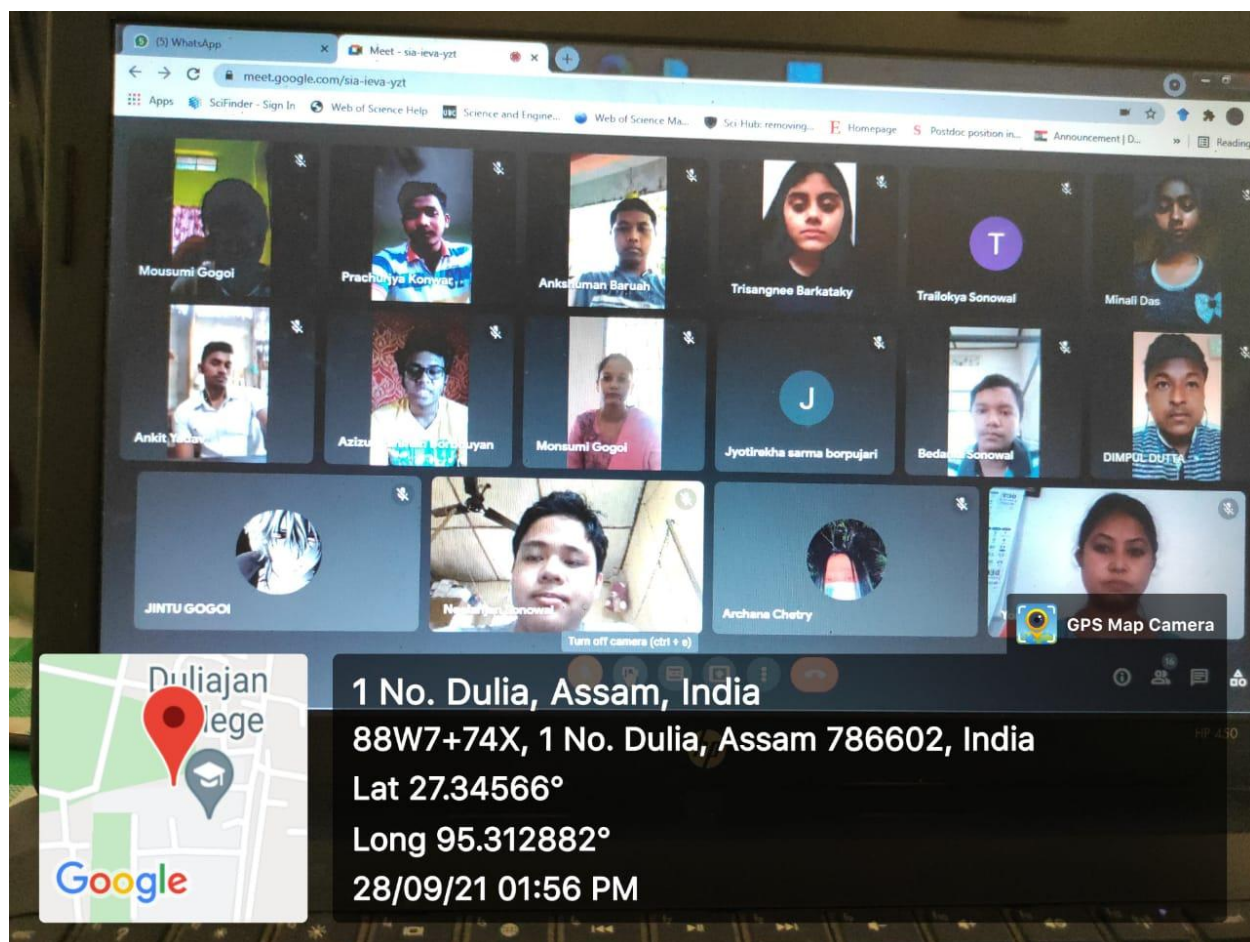

On 27/09/2021, a general introduction and interaction of newly admitted students as well as the Assistant Professors of the Department of Chemistry was held in virtual mode in the Google meet platform at 1 pm. The course structure of B.Sc Chemistry (core) program was introduced to them. Dr Jitumoni Borah, (HOD, Chemistry) initiated the program and gave a welcoming speech to the students which was followed by other three faculty members as well. The introductory session seemed to be fruitful and interactive.

Day 3

Day 3 of the Induction program was scheduled for Creative arts and Culture Literary activities. Dr Kalyani Rajkumari along with Dr Monsumi Gogoi and Dr Jyotirekha Sharma hosted the program and proposed the students to use the platform

showcasing their talents and different interests. Making the starting as auspicious as the occasion was, Azizzur Rehman performed a *Tokari geet* which was followed by Trinayan Sonowal who made a musical aura by performing a Jayanta Sangeet and a modern assamese song by Loknath Goswami by playing key-board. Neelanjana Sonowal, another student, beautifully presented a Bhupendra Sangeet and finally the program was ended with a Bihu song by Trisangee Borkakoty.

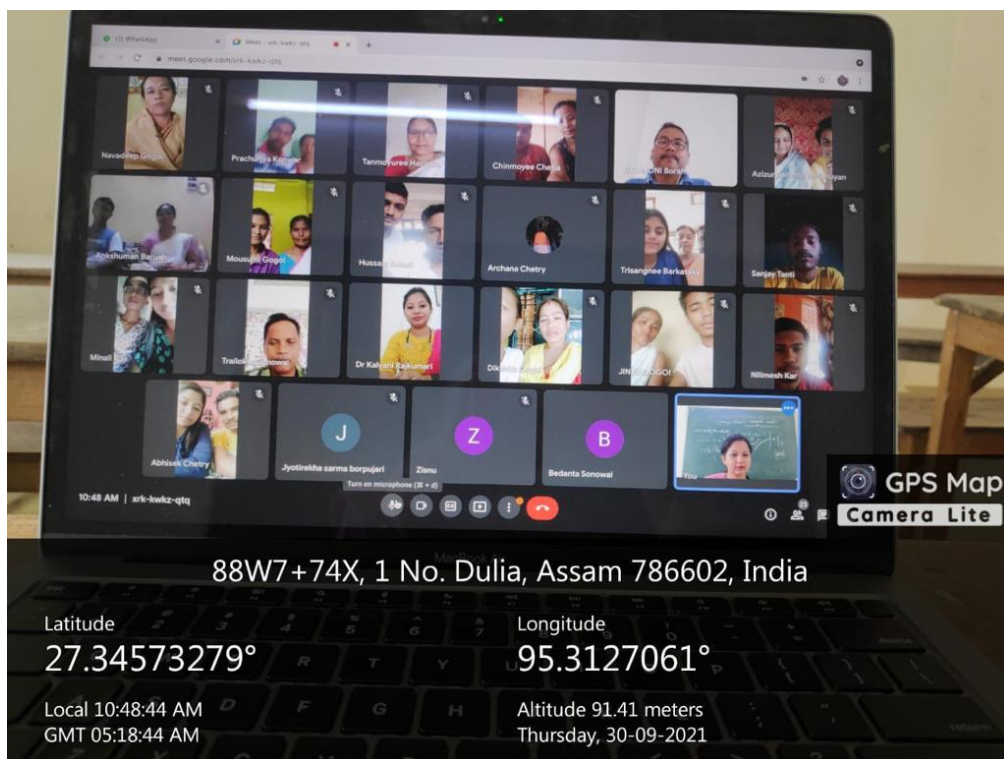

Day 4

On this day, our invited guest Mrs Aichena Burhagohain, HOD of Assamese Department, Duliajan College delivered an enlightening speech to the students of 1st semester students under B.Sc (Chemistry) program on Mental, spiritual and creative growth of students. Later the faculties of Chemistry department also extended their lectures on that topic and shared their viewpoints.

Day 5

Day 5 was the most fruitful and important session of the Induction program which was scheduled as Parent-Teacher meet. Like before, the interaction of teachers with parents/ guardians and students was held in virtual mode in Google meet platform. First Dr Jitumoni Bora, HOD Chemistry addressed the parents as well as students present in the meeting and expressed delight and acknowledgement for choosing our college and department for higher education of their son/daughter. which was followed by other faculty members subsequently. Dr Kalyani Rajkumari presented a powerpoint presentation on different aspects of B.Sc program, about the department and college, and mainly introduced the newly added Mentorship program format. To our satisfaction, most of the parents attended the meeting till the end and shown interest to speak and express their happiness as well as expectations from the department and college.
