

## ACADEMIC EXCHANGE PROGRAM

A lecture program was organised under Academic Exchange Program on 12.07.2021. the resource person was Dr. Biswajit Saikia, Assistant Professor, Department of Chemistry, Digboi College who delivered a talk virtually on the topic “Basic Concept of Stereochemistry”. Basically the topic was for 6th semester students but all students of 2nd & 4th semester students also participated in the program via google meet.

The poster features a central vertical line with several callouts. At the top left is the logo of Duliya College, Duliya. To the right is the title 'Academic Exchange Programme' in a white serif font. Below the title is a purple banner that says 'For UG students'. To the right of this banner is a photograph of a modern building with large glass windows. Below the banner is a circular portrait of Dr. Biswajit Saikia. To the right of the portrait is a teal callout box containing his name and title. Below the portrait is a green callout box with the topic. To the right of the portrait is a white callout box with the Google Meet logo and text. At the bottom are two more callouts: an orange one for the date and a blue one for the time, followed by a large yellow callout box for the organizing department.
