

## REPORT ON ACTIVITIES

**Duliajan College Science Council (DCSC)**

**Duliajan College, Assam**

**Reporting Period: 12 December 2023 – 08 May 2026**

---

### Introduction

The present committee of Duliajan College Science Council (DCSC) has taken charge on 12<sup>th</sup> December 2023. Since then, it has actively organized a range of academic, environmental, and student-oriented programs aimed at fostering scientific temper, innovation, and environmental awareness. The reporting period reflects a continuation of earlier initiatives alongside new impactful activities.

---

### 1. National Science Day 2024

**Date:** 28 February 2024

To celebrate National Science Day 2024, DCSC organized an **Interdepartmental Teacher Exchange Programme**. Faculty members from various departments exchanged classes of 4<sup>th</sup> Semester students. This encouraged interdisciplinary teaching, knowledge exchange and enhanced academic collaboration and introduced students to diverse teaching approaches.

## 2. Felicitation of Retired Teachers of Science Stream:

**Date:** 29/04/2024

Retired professors Mr. Jayanta Dutta (Botany Dept.), Mr. Dipjyoti Saikia (Botany Dept.) & Mrs. Alkananda Deka (Computer Science) were felicitated on 29/4/2024 for successfully completing their careers with dedication and hardwork.

## 3. Awareness Programme

**Date:** 30/04/2024

Awareness programme on “Water Conservation and Water Borne Diseases” in Collaboration with Sisia Bokuloni State Dispensary and Chi Chia Bokuloni Girls’ High School was organized by D.C.S.C. Shubhankar Gogoi (Botany), Sandeep Lama (Physics) and Arup Kumar (Chemistry) of Duliajan College presented a seminar and interacted with the students.

#### 4. World Environment Day 2024

Date: 5/6/2024

An educational excursion “Eco Awareness and Conservation Efforts” in Collaboration With “Environmental Forum of Assam” to **Dehing Patkai National Park** was organized for the HS students of 2024-2026 batch. Mr. Nirantar Gohain of Environmental forum of Assam graced the said event. This trip helped in practical observation of environmental impacts of industrialization, awareness on biodiversity conservation and promotion of sustainable thinking.

#### 5. First Aid Box Donated by D.C.S.C to Medical Cell of Duliajan College

Date: 29/06/2024

## 6. Inauguration of Book “EcoRevolution: Exploring Sustainable Solutions”, A Book by D.C.S.C.

**Date:** 28/01/2025

During the reporting period, the Duliajan College Science Council (DCSC) made a significant academic contribution through the publication of an edited volume titled “EcoRevolution: Bringing Sustainable Solution.” This book provides a platform for scholarly engagement with contemporary environmental challenges and sustainable development practices. It includes contributions from academicians, researchers, and students, covering topics such as pollution control, resource management, climate change, and innovative sustainability solutions. The publication highlights the Council’s commitment to promoting research culture, environmental awareness, and intellectual exchange beyond classroom activities, thereby extending its influence into the wider academic and social sphere.

## 7. World Environment Day 2025

**Date:** 05 June 2025

DCSC, in collaboration with the Eco Club and Duliajan Mahavidyalaya Sakha Sahitya Sabha, organized a talk on “Beat Plastic Pollution”. Dr. Neeharika Gogoi, Research Scholar, Dept. of Environmental Biology and Wildlife Sciences, Cotton University was the invited guest lecturer of the said event.

## 8. Alokani

**Date:** 10 November 2025

“ALOKAN,” an extension activity organized by Duliajan College, was held on 10th November, 2025, at Bhadoi Model HS School with the aim of inspiring and guiding students towards higher education. Dr. Monsumi Gogoi and Ms. Rajashree Boruah delivered an insightful PowerPoint presentation on the prospects of higher education after HS. Mrs. Ankita Boruah delivered an enlightening talk on mental health, highlighting the need for self-awareness, stress management, and a balanced mindset among young learners. The students showed enthusiastic participation throughout the session, making the event both interactive and meaningful.

## 9. National Science Day 2026

**Date:** 28 February 2026

DCSC organized a comprehensive programme celebrating National Science Day 2026. A felicitation ceremony of Mr. Doistik Saikia, for his selection to Chief Minister's Green Fellowship Programme (2025–26) and International internship at University of Wroclaw, Poland was organized. An In-House talk by Dr. Nilima Gogoi focusing on relevance of science in modern society was also organized. A poster competition on “Women in Science: Catalysing Viksit Bharat” was also organized. Students presented creative and theme-based posters.

## 10. DCSC AWARD OF MERIT

**Date:** 13/08/2024

Rayean Juyeria (Best Graduate 2024, Dept. of Botany, Duliajan College).

**Date:** 05/10/2024

Niman Thingnok (HS Science College Topper 2024, Duliajan College).

**Date:** 23/08/2025

Shubhankar Gogoi (Best Graduate 2025, Dept. of Botany, Duliajan College).

Alpana Goswami (HS Science College Topper 2025, Duliajan College).

## Conclusion

The Duliujan College Science Council (2024-2026) has demonstrated consistent dedication toward academic excellence and social responsibility. Through diverse initiatives ranging from innovative teaching methods to environmental awareness programmes and scholarly publications, DCSC (2024-2026) has significantly contributed to the holistic development of students and the academic community.

The committee would like to thank all the members of D.C.S.C. All that could be achieved was through their unwavering support and guidance during these two years.
