Foreword

Duliajan College, a premier institution of higher education in Duliajan was started on the 1st of August 1969. Making a humble beginning with just 100 students, the college has grown in strength and at present it has about 2000 students in Arts, Science and Commerce Streams.

With a sprawling and scenic campus of around 15 acres, the college is well-equipped with all the basic facilities —library, laboratory, computer laboratory where more than hundred students can do practical at a time, video conference room, smart class room, hostel(boys and girls), canteen and e-corner, museum, auditorium, playground, indoor stadium and gymnasium hall. The college believes in making education more relevant to the real world needs and equipping its students with educational skills required for all-round personal and professional achievements. In keeping with this, besides regular courses, the college offers career-oriented courses like Cosmetology, Montessori, and Post Graduate Diploma in Computer Science and Application (PGDCA). Under Distance Education programme, the college has study centres of Dibrugarh University Distance Education, Krishna Kanta Handique State Open University (KKHSOU), D. El. Ed. under NIOS and Indian Institute of Cost and Management Accountant (CMA). The college has a tremendous force of competent faculty who take pains for betterment of the college on all fronts. Maintenance of quality has always been its priority and it was in recognition of that National Assessment and Accreditation Council (NAAC) accredited the college with B+ Grade in 2005, re-accredited with B Grade/CGPA 2.81 in 2011 and then with B Grade/ CGPA 2.59 in 2023.

Duliajan, a place of historical importance, is known all over the world as the region of "two leaves and a bud" as well as a reservoir of "liquid gold". It is well connected by road, rail and airways. The railway station is 2.5 K.M away, while the Mohanbari airport is at a distance of 52 km from the college. Surrounded by lush greenery and oil fields, Duliajan is a major tourist attraction of the easternmost region of the country.

All language disciplines except English shall offer Language Courses</p>
		<p>Language and Communication Skills (English)</p>	<p>Students are required to achieve competency in the use of English language with special emphasis on language and Communication Skills. Department of English shall offer this course</p>

		Mathematical and Computational Thinking and Analysis	Courses relating to Mathematical and Computational Thinking and Analysis would focus primarily on the mathematical and statistical tools used to support the study of natural and social sciences, including subject areas such as astronomy, biology, chemistry, economics, the environment, geological sciences, physics, and sociology etc. These courses would focus on the methodology used to analyze quantitative information to make decisions, judgments, and predictions, including defining a problem by means of numerical or geometrical representations of real-world phenomena, determining how to solve it, deducing inferences, formulating alternatives, and predicting cause and effect relationships. The goal is to ensure that students achieve a level of proficiency in using and analyzing quantitative information.
5	Value Added Course 2: The courses aim to enable the students to acquire and demonstrate certain values	Health and Wellness	The Course components relating to Health and Wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual and environmental wellbeing of a person.
		Yoga	Yoga, Sports and Fitness activities will be organized outside the regular institutional

			working hours.
		Environment Education/ Science	The course seeks to equip students with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change and
			pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. There shall be more emphasis on community-based activities.
		Digital and Technological Solutions/Digital Fluency	Courses in cutting-edge areas that are fast gaining prominence such as Artificial Intelligence (AI), 3-D machining, big data analysis, and machine learning with important applications to health, environment, and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.

		Understanding India	The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among student-teachers of the Indian knowledge systems, Indian education system and the roles and obligations of teachers to the nation in general and to the school/community/society, specifically.
6	Skill Enhancement courses: These courses are aimed at imparting practical skills, hands on training, soft skill set etc. to enhance the employability of the students.		The institution may design courses as per the students' needs and available institutional resources subject to approval of the Dibrugarh University.
7	Community engagement (NSS/Adult Education/Student mentoring/NGO/Govt. institutions, etc.):		The curricular component of „community engagement and service“ seeks to expose students to the socio-economic issues in society so that the theoretical learning can be supplemented by actual life experiences to generate solutions to real-life problems. This component will include participation in activities related to National Service Scheme (NSS), National Cadet Corps (NCC),

		<p>adult education/literacy initiatives and mentoring school students and other community works</p>
8	Field based learning/project	<p>The field-based learning/project will attempt to provide opportunities for students to understand the different socio-economic contexts. It will aim at giving students exposure to development-related issues in rural and urban settings. It will provide opportunities for students to observe situation in rural and urban contexts, and to observe and study actual field situations regarding issues related to socio-economic development. Students will be given opportunities to gain a first-hand understanding of the policies, regulations, organizational structures, processes, and programmes that guide the development process.</p>

9	Internship	: Students will be provided with opportunities for internships with local industry, businesses, artists, crafts persons, etc. so that they may actively engage with the practical side of their learning and, as a by-product, further improve their employability.
10	Research Project	All students pursuing a Four-Year Bachelor's Degree with Honours with Research will be required to take up research oriented advanced courses, research methodology courses and a research project.

A Course may also take the form of a Dissertation/Project work/Practical training/Fieldwork/Internship, etc.

A student shall have to study the academic programme as per the scheme of the Programme. Even if a candidate earns the required number of credits before completion of the full duration of the programme, he/she shall not be entitled for the degree.

Duliajan College offers a plethora of major/minor subjects for the undergraduate students. In addition to the existing subjects the college has introduced Psychology, Geography and Banking and Insurance as major/minor subjects for the UG students from the current session (2024-25), in pursuance to the letter of approval received from Dibrugarh University on 26/4/2024.

A student who has less than 80% attendance in average shall not be permitted to sit for the End-semester examination. However, that it shall be open to the University to grant exemption to a student who has attended a minimum of 70% classes but failed to obtain the prescribed 80% attendance for valid reasons, on recommendation of the Head/Chairperson/Principal of the Department/Centre/College on payment of a prescribed fee(s).

The Head of the Departments/Chairperson of the Centre for Studies/Principal of the College shall announce the names of all students who shall not be eligible to take the End-semester examinations in the various Programmes and send a copy of the same to the Controller of Examinations. Such candidates shall have to repeat the

concerned Course(s) when it is offered next.

A student declared as dis-collegiate shall not be allowed to proceed to the next higher Semester. He/she shall need to pursue the Semester afresh in which he/she was declared as dis-collegiate along with the next fresh batch.

11 Examination and Evaluation:

- (a) Examination and evaluation shall be done on a continuous basis, at least two times during a Semester including the End Semester Examination.
- (b) There shall be 20% marks for in-semester assessment and 80% marks for End-semester examination in each course during every semester.
- (c) There shall be no provision for re-evaluation of the answer-scripts of the end-semester examinations. However, a candidate may apply for re-scrutiny.
- (d) ***In-semester Assessment:***
 - (i) In in-semester assessment, different tools such as objective tests, written tests, assignments, paper presentation, laboratory work, etc. suitable to the courses may be employed.
 - (ii) The students shall be informed in advance about the nature of assessment. Students shall be required to compulsorily attend in-semester assessment including appearing the sessional tests, failing which they will not be allowed to appear for the End-semester examination. A Student cannot repeat In-semester examinations. The Department/Centre for Studies may arrange special in-semester examination whenever

necessary.

(e) **End Semester Examination:**

- (i) There shall be one End semester examination carrying 80% Marks in each course of a Semester covering the entire syllabus prescribed for the Course. The End semester examination is normally a written/laboratory-based examination/Project Work/Dissertation.
- (ii) The Controller of Examinations shall make necessary arrangements for notifying the dates of the End semester examinations and other procedures as per Dibrugarh University Rules (at least 20 days in advance) and the Academic Calendar notified by the University.
- (iii) The time given for End-semester examination for each Course shall be based on the credits/marks of the course.
- (iv) Emphasis needs to be given on problem solving, application level questions as prescribed by National Education Policy, 2020. The question papers should include different forms of question.
- (f) **Confidential Works:** Setting of question papers, moderation of question papers, evaluation of answer scripts, scrutiny, tabulation of marks, etc. and announcement of results, shall be governed by the Dibrugarh University Examination Ordinance.
- (g) The mode of the conduct of the end-semester examinations of the practical/dissertation courses shall be partially external as below:
 - i. The end-semester examinations of all practical/dissertation courses shall be conducted by a Board of Examiners consisting of the internal examiner (the concerned course teacher) and an external examiner appointed by the Controller of Examinations.
 - ii. A student shall not be allowed to take more than one full course as project work in a single semester.
- (h) The mode of end-semester examination and evaluation of the Courses shall be specified in the detailed syllabus of the course concerned.

(i) End-semester practical examinations shall normally be held before the theory examinations.

(j) Betterment Examination:

- i. A student shall be entitled to take the „Betterment Examinations“ in any two theory courses after successful completion of 3 year/4 year programme only once. In this case, the higher marks secured by the student shall be retained. The candidates shall have to apply for betterment examination within one year of passing the Sixth/Eight Semester examination. Students shall have to appear in the betterment examination with the regular batch.
- ii. No betterment shall be allowed in the practical/project/dissertation/internship examinations.

12 Results and Progression:

A candidate shall be declared as passed a Programme, provided he/she secures -
At least 30% of marks in each Course in the End Semester Examinations combining both theory and practical examinations
At least „P“ grade in the 10 point scale combining both the in-semester and End Semester Examination performance.

There shall be no separate pass mark for In-semester Assessment.

A candidate shall be declared as passed a semester/ programme, provided he/ she secures at least „P“ grade in the 10 point scale (given in clause) in all the Courses separately.

There may be moderation of In-semester Assessment marks/End Semester marks as and when necessary.

The marks of In-semester examinations obtained by the candidates shall be carried over for declaring any result.

A candidate who fails or does not appear in one or more Courses of any end semester examinations up to fifth Semester shall be provisionally promoted to the next

higher semester with the failed course as carry over course(s). Such candidates will be eligible to appear in the carry over course in the next regular examinations of those

courses. If a candidate fails in any of the components (either theory or practical) of a course the candidate shall have to reappear in the examination for both the components.

If a candidate clears the sixth semester examination before clearing all the courses of the previous semesters, the result of the sixth semester examination of that candidate shall be withheld and his/her result shall be announced only after he/she clears the courses of the previous semesters.

A candidate who fails or does not appear in one or more courses of seventh semester examinations shall be provisionally promoted to the eighth semester with the failed course as carry over course(s). If a candidate clears the eighth semester examination before clearing all the courses of these seventh semesters, the result of the eighth semester examination of that candidate shall be withheld and his/her results shall be announced only after he/she clears the courses of the previous semester.

A student must clear all his/her Semester Examinations within six (6) years for three year undergraduate programme and seven years for four year undergraduate programme (with honours/research) from the dates of admission to the First Semester of any Programme irrespective of the number of examinations appeared by the student.

Since the Semester system involves continuous assessment, there shall be no scope for a student to appear as a private candidate in any programme in this system.

A candidate shall be declared to have passed provided he/she has passed all the Semesters and in all the Courses separately for the concerned programme.

The Controller of Examinations shall declare the results of different programmes and issue Grade-sheets. ***The merit list shall be prepared only for the regular candidates and it does not include the backlog candidates.***

The first rank holder of a programme shall be decided on the basis of the CGPA. However, the Overall Weighted Percentage of Marks (OWPM) of a candidate shall be considered in case of tie in CGPA.

Results of the candidates appeared in the Betterment or Backlog Examinations

shall not be counted for the award of Prizes/Medals, Rank or Distinction.

13 Provision of Multiple Exit:

Exit 1: There is a provision of exit after successful completion of 1 year (two semesters). A Certificate will be awarded when a student exits at the end of year 1 (2 semesters). Students who have secured minimum of 44 credits will be awarded a UG certificate (in the field of study/discipline) if, in addition, they complete one work based/skill based vocational course/internship of 4 credits within one year from the completion of 2nd semester examination.

Exit 2: There is a provision of exit after successful completion of 2 years (four semesters). A Diploma will be awarded when a student exits at the end of year 2 (4 semesters). Students who have secured minimum of 88 credits will be awarded a UG Diploma (in the field of study/discipline) if, in addition, they complete one work based/skill based vocational course/internship of 4 credits within one year from the completion of 4th Semester examination.

Exit 3: Three Year UG Degree Programme (BA, B. Sc, B.Com and Bachelor in other discipline) with single/double major: There is a provision of exit after successful completion of 3 years (six semesters). Students who wish to undergo a 3-year UG programme shall be awarded UG degree in the major discipline after successful completion of three years, securing 132 credits.

Four Year UG Programme with Honours (BA, B. Sc, B. Com and Bachelor in other discipline) with single/double major: Students who wish to undergo a 4-year (8 semester) UG programme shall be awarded UG Honours degree in the major discipline after successful completion of four years with Discipline Specific Elective Courses in 7th and 8th semesters in lieu of Research Project and Dissertation, securing a minimum of 176 credits.

Com and Bachelor in other discipline) with single/double major: Students who wish to undergo a 4-year (8 semester) UG programme shall be awarded UG Honours with Research degree in the major discipline after successful completion of four years,

with Research Project and Dissertation in 7th and 8th Semesters, securing 176 credits.

14 Qualification type and Minimum credit requirement:

Equivalent National Higher Education Qualification Framework (NHEQF)	Qualification title	Minimum credit requirement
Level 5	Undergraduate Certificate	44+4
Level 6	Undergraduate Diploma	88+4
Level 7	Bachelor's Degree	132
Level 8	Bachelor's Degree (Honours and Honours with Research)	176

15 Grading System

The absolute grading system shall be applied in evaluating performance of the students.

The following scale of grading system shall be applied to indicate the performances of students in terms of letter grade and grade points as given below:

Letter Grade with meaning		Grade Point
O	Outstanding	10 (Marks securing 90% and above)
A+	Excellent	9 (Marks securing 80% - 90%)
A	Very Good	8 (Marks securing 70% - 80%)
B+	Good	7 (Marks securing 60% - 70%)
B	Above Average	6 (Marks securing 50% - 60%)
C	Average	5 (Marks securing 40% - 50%)
P	Pass	4 (Marks securing 30% - 40%)
F	Fail	0
Ab	(absent)	0

*ExclusiveClassIntervaltechniqueshallbefollowedincalculationofGradePoint.

Computation of SGPA and CGPA: The procedure to compute the SGPA and CGPA are given below

- (i) The SGPA is the ratio of the sum of the products of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits off all the courses undergone by a student.

$$SGPA(S_i) = \frac{\sum C_i G_i}{\sum C_i}$$

Where C_i is the number of credit of the i th course and G_i is the grade point scored by the student in the i th course.

Example for computation of SGPA

Semester	Course	Credit	LetterGrade	GradePoint	CreditPoint(CreditX Grade)
I	Major(Core)	4	A	8	4X8=32

I	Minor	4	B+	7	4X7=28
I	GEC1	3	B	6	3X6=18
I	AEC(Language)	4	A+	9	4X9=36
I	ValueAddedCourseI	2	A	8	2X8=16
I	ValueAddedCourseII	2	A	8	2X8=16
I	SEC	3	B+	7	3X7=21
		22			167
	SGP A				167/22=7.5 9

- (ii) The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme.

$$CGPA(S_i) = \frac{\sum}{\sum}$$

SemesterI	SemesterII	SemesterIII	SemesterIV	SemesterV	SemesterVI
Credit:22	Credit:22	Credit:22	Credit:22	Credit:22	Credit:22
SGPA:7.59	SGPA:8.00	SGPA:7.6	SGPA:7.59	SGPA:8.00	SGPA:7.00
CGPA=(22X7.59+22X8.00+22X7.6+22X7.59+22X8.00+22X7.00)/132=7.63					

The SGPA and CGPA shall be rounded off to two decimal points and reported in the transcripts.

- (iii) **Conversion of CGPA in to percentage (%):** CGPA will be multiplied by 10. Percentage of marks = (CGPA X 10)
- (iv) The Letter grade „B+“ and above shall be considered as First Class and Letter grade „B“ shall be considered as Second Class.
- (v) A student is considered to have completed a course successfully and earned the prescribed credits if he/she secures a letter grade other than F (Failed) or „Abs“ (Absent/Incomplete).
- (vi) If a candidate secures ‘F’ grade in a Course, he/she shall have to reappear in the Course in the next legitimate chance.
- (vii) If a student secures „F’ grade in Project Work/ Dissertation/ assignment etc., he/she shall have to re-submit it after necessary revisions. The Result shall be declared with next regular batch.

(viii) 'Abs' grade shall be awarded to a candidate if he/she has not fulfilled the following requirements:

- (a) If a candidate fails to appear in any Course(s) in an end semester examination.
- (b) If a candidate fails to submit the project work/dissertation /assignment of an end semester examination.
- (c) If a candidate is certified as not eligible to appear in any course(s) in an end semester examination by the Course Teacher(s) due to insufficient attendance in lectures, tutorials practical or field works.

(ix) The candidates not appearing in a Semester Examination shall be considered as an 'Abs' candidate **and** that will be reflected in the Grade Sheet of the candidate. The second candidates shall have to convert the 'Abs' grade by appearing in the next examination on the Course (provided he/ she has legitimate chance to appear the Course) concerned or by submitting project work/dissertation/assignment etc.

16 Transcript

The University may issue consolidated Transcript on payment of a prescribed fee which shall contain Letter grades, grade points and SGPA and CGPA mentioning the Course Titles in details, medium of instruction and programme duration.

17 Academic Bank of Credit:

Institution Registration:

17.1.1.1

The HEIs shall register on NAD/ABC in the concerned portal. Institution shall designate a Nodal Officer and set up a dedicated NAD/ABC cell for implementation of NAD/ABC Scheme and reflect their details (Name, Designation, Mobile No. and email id) on its website.
